Dear Parents and Carers

Arrangement for End of Term and September 2020

We have been delighted to be able to welcome some children into school for the end of the summer term. I believe that all Y6 children and the children of Key Workers who have wanted a place at school have been able to have one. All Y2, 3, 4 and 5 children, who wanted one have been allocated a place on our Outdoor Days.

It is now time to look forward to September and share our plans with you. As you may know the government have said they wish all children to return to school full time from September. We do not know what this will look like. We will await guidance from the DfE and DCC. I am going to make plans for school as though everything is going to be normal but then adapt them according to the situation in September.
