Community Award

Thursday 3rd September 2020

Dear Parents and Carers,

Firstly I would like to report back on a brilliant first day back in school with the children. Seeing everyone back in school today has been incredibly uplifting and reminded us how lucky we are to do this job. The children have been superstars all day and came into school so positively this morning. I would like to thank you for all your help in getting them ready to come back! The school day has run very smoothly on the whole.

Drop off and pick up timings

This worked very smoothly considering the changes to the start and end of the school day. Seeing people lining up considerably showed yet again how supportive our community is. Just a reminder that children with siblings at this school should arrive at the entry time of the youngest child. The older sibling will then be invited to wait in the hall until their class's allocated entry. Children without siblings must arrive at their allocated time so that the lining up area on Stoney Close remains clear. I'm sure you will appreciate that this takes a lot of organisation. It is so important that we keep working together as school life resumes so please don't hesitate to get in touch if you have any concerns or questions.

A text message has been sent to notify you that this letter was coming home. If you didn't receive one, you will need to contact us with your correct contact details.

Thank you for your patience and support.

Yours sincerely,

Sarah Owens

Headteacher
