## **Reading**

Dear Parents

A number of children have reported difficulties accessing the Big Cat online reading scheme. Please find the link below which will take you directly to the website log on page.

<https://ops.collinsopenpage.com/sso/login?service=https%3A//ebooks.collinsopenpage.com/wr/index.html&eulogin=true>

Your child's username is **ukbake** then their full name. e.g **ukbakeJoeBloggs**  
The password is Reading1.

The Big Cat online book library is a great resource and is updated and managed by your child's class teacher regularly. Children do have access to a hard copy of a book at their level in school to read to adults. However, we don't have many books of each level to offer as a hard copy at school As you will appreciate, the cost of resourcing these book is very high. Online, your children will have access to 20 plus books at their level. They may choose any book out of their allocated books to read.

Please help your child to log on if needed and encourage them to read to you at least three times per week. When they read please document this in their yellow reading record. Any child who has read three or more times per week and this has been logged in their reading record will earn Dojo points and these will lead to both class and individual rewards.

If you are still having problems logging on please contact school for help.

Many thanks for your support in helping your child to read at home.

Catherine Donovan
