Dear parents and Carers

Ofsted Monitoring Inspection Visit

We are pleased to be able to share with you the results of the monitoring inspection that took place on 8th November. (See link below)

During the monitoring visit, the inspector gathered evidence to assess whether the school is on track to be 'good' at the next full inspection. At this type of inspection the school's grading cannot be changed. So, while we remain dissatisfied with our 'requires improvement' judgement, we are really pleased that the inspector found lots of evidence to indicate that we are well on our way to being graded as 'good'. We expect the next inspection to be in about 12 months' time.

Please do not hesitate to contact me if you have any queries about the monitoring report.

Yours

Sarah Owens
