Headteacher, Mrs Sarah Owens

Dear Parents/Carers

Your child will be coming home this evening with a log in for you to access class Dojo. This will allow you to see how many Dojo points your child has earned each day and what they have received them for. Children will earn Dojo points for a number of reasons. They will also lose Dojo points sometimes. This is nothing for you to be worried about as we will have spoken to the children about this.

In line with our school behaviour policy, the child with the highest number of Dojos on a Friday will get a prize from the Dojo prize box. Any child with a negative number of Dojo points will lose their golden time. We promote positive behaviour and always give the children a chance to earn lost Dojo points back.

Your login will also allow you to send messages directly to your class teacher. This could be things like letting us know that your child wants to change a reading book or has done particularly well with something at home. This message platform must **not** be used to report absences or change of end of day routines. Please always phone the school office for these issues.

Class teachers will not be checking any messages or responding to any messages **outside normal school hours**. We cannot guarantee that your message will be seen within these hours straightaway so please again always phone the school office with any urgent issues.

When you log on to the app it might direct you to purchase Dojo Plus. We don't recommend you purchase this as it will won't add any benefits or give you access to anything extra.

Kind regards

Sarah Owens
